Editors' letter

Dear Readers,

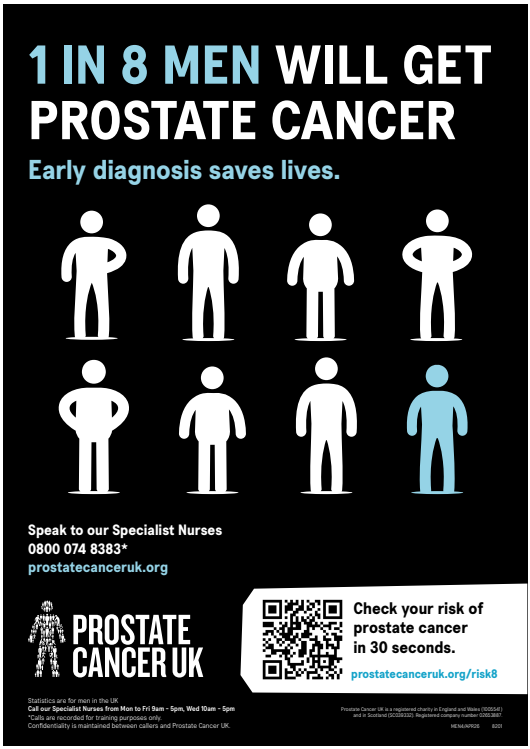

It's summertime! (although it seems like it's been summer for months now) and the children will soon be on their holiday break. There is much to keep them occupied locally. Please check out the Burwell Museum who are offering free child entry on Thursdays in August. Check out page 27 and scan the QR code for details.

Wicken Fen have lots of events throughout the summer including Bug Hunters, Pond Dipping, Young Ranger Days and Family Printing Workshops. See page 52 for full details.

Later in September St Mary's have their open day and you can climb the tower for an amazing view of Burwell. See page 8.

Have fun in the sun!

Vaughan Allanson

BE PART OF CLUNCH

Would you like to participate in your local magazine? We are looking for regular contributors.

So if you have stories about Burwell past or present, run community events or have a club or society that doesn't already feature in Clunch or just an amusing story, then we would love to hear from you.
So, why not write a few words and send it to:

Dear Editors,

We have recently received a letter from Italy, from the grandson of a POW, Luigi Oldoni, who worked at a farm in Shepreth during/after WW2. His family are trying to trace the family of Colin and Dorothy Henderson, with whom they struck up a very close connection in the aftermath of the war (see May Letters at www, swaffham-crier.co.uk).

Although both Dorothy and Colin are now deceased, we are very grateful to Hilary Marsh for informing us that Dorothy has a niece in Burwell (Hilary often sees her visiting the Co-op). She is the the daughter of Bob Smith and Dorothy's sister Emily, who formerly lived at Northfields in Reach.

We would be extremely grateful if Dorothy's niece (or anyone-else who remembers Colin and Dorothy) could contact us so that we could put her in touch with the Oldoni family who have been looking for her family for a long time.

Very best,

Caroline Matheson (Ed, The Swaffham Crier)

Kent House, High St, Swaffham Prior. Tel 01638 744008/email: editors@swaffham-crier.co.uk

We have limited places available from September so if you would like to enrol your child please get in touch to see if we can help.

Application forms available on our website (link under contact us) or please email manager@burwellearlylearners.co.uk

LETTER FROM THE VICARAGE

"Summertime, and the living is easy…" Whether or not we go away during the summer months, for most of us there are changes to our normal routines, with the longer days, the warmer weather (!), more relaxed meal times, barbeques and outdoor eating. It can be a good time for rest, 'recharging the batteries' and reconnecting with family and friends. It's also a great opportunity for spiritual refreshment. Over the summer, we will have new resources in both our churches to help deepen your experience, with a theme of pilgrimage and prayer. Do pop in to St Mary's or St Etheldreda's. Both churches are often cooler places to be!

For some, summer holidays bring additional challenges, with children off school, many clubs and activities taking a break, and already over-stretched resources. To help support families, we will be extending our usual Friday morning Refresh Café, to welcome families with children of all ages. Fun Fridays will be 10am – 12.00pm at St Mary's, from 24th July to 21st August, with outdoor and indoor activities, alongside our Refresh Café toddler area, with refreshments, including a simple lunch. Other family activities may be advertised nearer the time.

Pop-Up Pantry at Burwell Day Centre continues monthly, on the 1st Friday of the month, 2.00 – 3.00pm. Our aim is to support those in our community who are struggling with financial need, offering short life fresh food items, toiletries & hygiene products and cupboard basics. Others in the community can contribute by donating items in the named baskets in the Co-op and chemist, or contacting us if you have surplus fruit and vegetables from your gardens or allotments, and we will distribute at the Pantry, or our Pop-Up in the Porch at St Mary's.

St Mary's Open Day will be on Saturday 26th September, when we hope to open the tower for tours, weather permitting. To find out more about what's going on at St Mary's or St Etheldreda's in Reach, please see our Facebook pages and website. Most weeks, we livestream our weekly 10.00am Sunday service on Facebook. Please get in touch if you would like more information about these or any of our events or services, including weddings, christenings and baby thanksgivings, or if you would value an opportunity to chat.

Revd Canon Dr Eleanor Williams, Vicar of Burwell with Reach, 01638 741262 vicar@stmarysburwell.org.uk

PAULINE'S SWAMP OPEN DAY 2026

We will welcome any visitors, old or new, to our Open Day up at the Swamp on Sunday 6th September this year. We will be running our usual activities for children, including pond dipping, owl pellet dissection, and more. There will be a BBQ, Burwell Brewery, craft stalls, and of course - the dog show! Come and find out more about our beautiful little nature reserve in Burwell, located next to the fire station on Reach Road, and get the little ones engaged with wildlife (ice-cream could also be involved).

We cancelled last year due to the illness of our chair, Mike Swift, and hope this year to make it as good as he would have wanted, including unveiling a bench in honour of all that he did for this space.

The Open Day starts at 12 noon, and runs till 4pm. Keep your eyes peeled on the Facebook community noticeboard and posters around the village for dog show categories and timings. Entry is free, but donations towards the BBQ will go towards the costs of the food on the day, the running and maintenance of the Swamp, and are very welcome. Again, we would like to thank Paul Hawes for the donation of this piece of land into the care of the Parish Council, and Trustees.

If you can volunteer to help on the day, or would like to have a stall, please email paulines_swamp@burwellparishcouncil.gov.uk.

See you there!

Jenny Moss (secretary)

Burwell Village Twinning Association

2026 sees the 30th anniversary of the successful Twinning of Burwell with the communes of Lizy sur Ourcq/Mary sur Marne/Ocquerre, in the Seine-et Marne Department, northern France.

This year Burwell visited France from May 22nd to May 26th, which was the first Twinning visit for my husband and me. We found the experience delightful, except perhaps for the wait at Dover. We were however in a comfortable air-conditioned coach with loo, with opportunities to step off and stretch our legs. We were entertained and efficiently represented during the journey. Some members made their own way to France.

We arrived and met our hosts, a couple who were also first timers, who gave us a warm welcome. We relaxed and enjoyed our stay with them. There were events and entertainments planned for us, including a visit to Paris with a tour of the restored Notre Dame Cathedral followed by a boat trip along the Seine. The hot weather curtailed some events, but our enjoyable time continued. Burwell responded with some entertainments including a presentation with photos taken during the 30 years, with commentary in both languages, and some cheerful singing accompanied by both Burwell Singer's organiser/accordionist and guitarist.

Gifts were exchanged; our Burwell Commemorative mugs being well received. Our hosts are now looking forward to visiting us next year, and we are certainly looking forward to seeing them again!

Our thanks go to the Committee members on both sides of the Channel who worked to make this such a rewarding experience.

June M.

Interested in joining the Twinning? Please ring 07717471561 to speak to Diane, or 07818088071 to speak to Androulla, who will both be pleased to provide more information.

Who can use the service?

- you live in **EAST CAMBRIDGESHIRE**
- find it difficult to use conventional public transport
- can get in and out of a car unaided.

Where can I go? - It's not just the Hospital we can provide an opportunity for you to go shopping, visiting relatives etc.

How much does it cost? - Passengers make a contribution towards the drivers costs using the current HMRC rates. These are paid direct to the driver at the time of travel.

PLEASE NOTE there is a minimum contribution of £7 plus a £1 booking fee.

To book ring 01353 666553 or email carscheme@vcaec.org.uk

Drivers WANTED - to help us provide transport for people who are unable to use conventional public transport.

Do you:

- √ have access to a roadworthy car?
- √ like helping people?
- √ have a few hours to spare on a regular basis?
- √ hold a full driving licence?
- √ Willing to undertake an enhanced DBS check.

What we can offer you:

- √ a mileage allowance of 55p per mile plus 5p per passenger.
- √ That good feeling you get from helping others.

Interested?

EMED Patient care

NHS Cambridgeshire & Peterborough

NON-EMERGENCY PATIENT TRANSPORT SERVICES

For Cambridgeshire, Peterborough and Royston registered patients who need to attend NHS appointments*

*The National Eligibility Criteria will apply to all patients

EMED Patient Care deliver the non-emergency patient transport service (NEPTS) for eligible patients living in Cambridgeshire, Peterborough and Royston

Bookings & Enquiries 0300 777 5555

Patient Feedback

If you wish to leave feedback or raise a concern please scan the QR code to take our online survey. We welcome your thoughts and we will use your responses to improve the patient transport service. Alternatively, contact our Patient Experience Team: By phone: 0300 777 8844 By email: patientexperience@ emedgroup.co.uk By post: Patient Experience Team, EMED Group, Unit 4b, Bridge Business Park, Burcott Road, Hereford, HR4 9LW

What's new?

Patients, carers and hospital staff will now book transport through EMED Patient Care on 0300 777 5555. You will notice our vehicles transporting you to and from your medical appointments. More information on this service can be found at: www.emedgroup.co.uk/ cambridgeshire

What about existing bookings?

You do not need to doanything – any existing bookings with the previous provider will automatically move across to us. However, it is important if your circumstances change, that you notify us on 0300 777 5555

Patient safety as standard?

EMED Patient Care is registered and regulated by the Care Quality Commission (CQC). As a result we are subject to the identical CQC quality standards as all of the NHS Ambulance Trusts in England. This means the service you receive from us ensures patient safety is at the core while providing a reliable and reassuring service.

Frequently Asked Questions

Q. Am I eligible for this service?
A. The call handler will guide you or your doctor/ nurse through some straightforward questions to check if you are eligible. If you are not then they will be able to advise on possible local transport alternatives such as community transport.

Q. Can I bring someone along with me?
A. Space is limited, which is why escorts are permitted only under certain circumstances e.g. patient being under 16

Q. Do I have to pay for transport?
A. No, it is free for patients who are eligible for the service

Q. What if the transport doesn't arrive at the time I expect?
A If there is any delay in your transport collecting you, we will contact you by telephone.

Q .If on the day I have a problem affecting my booked transport, who do I contact?
A. EMED Patient Care on 0300 777 5555.

Q . Q How can I cancel a booking?
A. Please call us on 0300 777 5555 and inform the call handler that you no longer require your booked journey. Please also let the relevant ward or department know if you no longer require your appointment.

Fighting for better NHS dentistry in Ely and East Cambridgeshire

Access to NHS dentistry has become one of the biggest issues raised with me by local residents. Too many people are unable to find an NHS dentist, parents are struggling to get appointments for their children, and many are being left with no option but to wait until problems become urgent.

The figures locally are deeply worrying. In Cambridgeshire, only 40% of adults have seen an NHS dentist in the past two years, down from 45% in 2019. For children, the situation is just as concerning: only 54% have seen an NHS dentist in the last year, down from 60% in 2019 and now below the national average.

The consequences are already visible. In East Cambridgeshire, one in eight children have tooth decay by the age of five. This is a completely preventable condition, and it should be unacceptable to us all.

That is why I have continued to raise this issue directly in Parliament, including in my recent speech on 15 June. I told the Government that Ely and East Cambridgeshire has become an NHS dental desert, with too few appointments, too many vacancies, and patients unable to get the care they need. In Cambridgeshire and Peterborough, almost one in four NHS general dentist posts are vacant.

I also raised the case of local dentists who have told me they are willing and able to take on more NHS patients, but cannot get the funding needed to do so. That makes no sense when so many residents are desperate for an appointment.

This speech in Parliament is one of a number of actions I have taken to press the Government to deal with the crisis. I have been calling for urgent action to fix the broken NHS dental contract, which is driving dentists away from NHS work, and for a proper workforce plan so we can train, recruit and retain the dentists our communities need. Prevention must also be at the heart of reform, especially for children, with better access to check-ups and early support before dental problems become serious.

I will continue to press Ministers for a clear timetable for reform, proper funding for local NHS dental appointments, and a serious plan to end the dental desert facing our area. If you have struggled to access NHS dentistry, please do get in touch. The more real experiences I can share, the stronger the case I can make to Ministers on behalf of local residents.

If there's ever anything I can help you with, please do get in touch via charlotte.cane.mp@parliament.uk or +44 20 7362 1601. I am always happy to assist wherever I can. You can also keep up to date with my work through my fortnightly newsletter - sign up here: www.bit.ly/newsfromcharlotte

Facebook: Burwell Ex-Service and Social Club

Hello again, I'm writing this as we are in the grip of a record breaking heatwave so I hope the weather is still nice when you are reading this.

We have been busy again over the last couple of months with us finally finishing our Tea Room extension (bar any lighting and heating). Thanks must go to P&B Flooring for donating the flooring to us – it makes such a difference. Come along and support us and give it a road test!

At the end of May, we had a group of paranormal enthusiasts from Kings Lynn visit us and our new larger Tea Room was put to use! It was a lovely evening and it allowed us to take these photos.

We can host group meetings or visits, birthday parties, etc, just get in touch with us and ask!

We now are in full organising mode getting ready for our 1940's event which is on the 12th July so we hope you have joined us for this.

Unfortunately, all the wet weather over the winter and the strong winds recently have caused a lot of our fencing posts to break due to rotting through. Our volunteer Clive Monk has been very busy replacing or mending them – only a few more posts to go! Thanks Clive.

August will be very busy for us, with our Classic Car Show on the 16th August and our special School Holiday Thursday openings. We will be open every Thursday in August (11am – 3pm) and it will be free for children (1 adult per 4 children). We are planning lots of lovely activities which will include craft, hunts and hopefully some story telling.

We are also open to anyone else who wishes to visit us too, with our tea room and all our other buildings being open as well – but beware it could be noisy with the kids!

This year we have partnered with the 1st Burwell Scout Group (as there is no Carnival) to run our food offering at both the 1940's event and the Classic Car Show with all ingredients being supplied by Spinney Abbey and Lanes Bakery – a truly local affair! We will be splitting the profits with them so please do come and support us. You will be able to pre-order for our Classic Car Show event so check out the website.

As a reminder, our next three event dates for your diary are:

Classic Car Show – 16th August

National Heritage W/E – 12/13th September

Halloween – 24th October

Our events team are also busy planning some workshops for later in the year – wreath making (14th November) and cake decorating (28th November) so look out for the advertising and booking on our website shortly.

We hope you will join us at one of our upcoming events and try out our food offerings. If you can't make these but want to still get involved and become a volunteer, please do get in touch or turn up on a Tuesday and ask for Clive or Richard.

See you soon.
Burwell Museum Trustees
PS – don't forget you can still support us via your purchases as part of the Coop Community Fund scheme!

Burwell Baptist Church Today.

Although in our 175th Anniversary year it is natural for us to look back to the past, it is also important for us to focus on the present. What does Burwell Baptist Church look like today? And we're not thinking about the building here, because the church is the people - not just bricks, clunch and mortar.

As our church website (burwellbaptistchurch.org.uk) says: We are a group of ordinary people who love and believe in our Lord Jesus Christ and try to follow his teaching and example in all that we do.

We are a wide range of people from all ages and different backgrounds. We have young families right up to more elderly members in their 90's.

Our 10.30 am Sunday morning services are live streamed via our You Tube channel, so you can watch from home if you would like to check us out! Although we would love even more to see you in person! Our sung worship is lively, led by keyboard and guitar, and consisting of a mix of traditional hymns and modern worship songs.

We have a prayer meeting every Monday evening and Lyfe group on a Thursday evening which consists of Bible Study and discussion. Once a month on Wednesday afternoons is 'Reflections', a gathering to chat, enjoy tea and biscuits, and to listen to an invited speaker. Also, as a church there are regular shared lunches, barbeques in the summer, and a quiz night in the winter.

Since the covid lockdown we have been running a project we call 'Cooking Together at Home', where each month we provide about twenty disadvantaged families from the local community, free of charge, with a bag containing a recipe and all the necessary ingredients to cook the meal at home. Alongside this we also have a free food bank where they can replenish their larders with a variety of produce.

In May over 100 friends, visitors and members of the church, enjoyed our Community Open Day, with a free barbeque and various activities and displays by local groups who regularly use the church premises. The Art Group put on an impressive exhibition of paintings. There was a display by the WI Craft Group. Our MP Charlotte Cane cut the special anniversary celebration cake. Visitors were entertained by the Burwell Singers and Professor John Morrill spoke about the local history of Burwell and the village churches.

Also represented in gazebos in the churchyard were the Trefoil Guild, Burwell Museum, Newmarket Youth for Christ, 'Artistry in Cocoa' (a choclatier), and a representative of the East Anglia Ambulance Service First Responders with a demonstration of CPR. There was a treasure hunt for the children, and the Burwell Brewery produced for the occasion a unique Sparkling Hop Water non-alcoholic drink called Burwell Baptist Brew! Various other events and activities will be taking place during the year, culminating in our special Anniversary church service on Sunday 18th October.

As Christians we are well aware that we are not immune from suffering, grief and tragedy, but we draw comfort and strength from one another and from our Risen Lord Jesus, and as I finish writing this article our whole church family is grieving the sudden and tragic death of a much loved church member and leader, James Webb. This has been a time when the whole church has come together in prayer, love and practical support for his family. As God's word tells us in the New Testament – '... If one part (of the church) suffers, every part suffers with it;...' (1 Corinthians 12:26) This is your snapshot of Burwell Baptist Church right now!

Peter Wells

News from Burwell Parish Council

There's always lots going on around the village, and we wanted to share a few updates, reminders and dates for your diary — as well as how you can make the most of our community spaces.

Community Spaces You Can Use - Our village halls really are at the heart of Burwell life. Gardiner Memorial Hall and Mandeville Hall are used by all sorts of groups and individuals — from fitness classes and clubs to birthday parties, meetings and celebrations.

Both halls come with kitchen facilities, and Gardiner Memorial Hall also has a full suite of AV equipment, including a projector, making it ideal for presentations and events.

Booking is easy via our website:

www.burwellparishcouncil.gov.uk

If you'd like to have a look around before booking, just get in touch — we're happy to arrange viewings.

The tennis courts at the Recreation Ground are open all year round and can be used for both tennis and netball. Courts can be booked online at:

clubspark.lta.org.uk/burwell-tennis-courts

Our allotments continue to be very popular and are currently fully let. If you'd like to be added to the waiting list, please email:

burwellrfo@burwellparishcouncil.gov.uk

Grass Cutting, Wildlife and Finding the Right Balance - You may have noticed that grass cutting looks a bit different depending on where you are in the village — and that's been done on purpose.

Over the last few years, we've been working to balance keeping areas safe, tidy and accessible, while also giving nature space to thrive. That means different cutting approaches in different places:

Verges and paths are cut regularly so everyone can see clearly and get around safely. Sports pitches and recreational areas are kept short and usable. Some green spaces are left longer to encourage wildflowers, insects and pollinators. This approach helps support wildlife while still making sure our public spaces work well for everyone. We keep this under regular review and always welcome feedback.

Pauline's Swamp – Open Day - Pauline's Swamp remains one of Burwell's real hidden gems, cared for with the help of dedicated volunteers.

Open Day – Sunday 6 September - Everyone is very welcome to come along, explore the site, learn more about the area and its wildlife, and meet some of the people who help look after it. More details will be shared nearer the time — but it's one to pop in the diary now.

Remembrance Sunday – Poppy Wall Project We're already starting to prepare for Remembrance Sunday and would love your help with a community poppy wall.

If you enjoy knitting or crocheting and would like to make a poppy (or a few!), we'd be delighted to include them. Each one adds to a meaningful village display of remembrance and reflection. Details about where to drop poppies off will be shared soon.

Community Safety – A Quick Word - Burwell continues to be a great place to live, and thankfully most people enjoy our shared spaces without any problems at all. From time to time, however, there are incidents such as vandalism or anti-social behaviour affecting public areas and Parish Council property.

When this happens, we take it seriously and work closely with the police and other authorities. We're also always looking at practical ways to better protect our spaces and keep them welcoming for everyone.

How You Can Help - If you do see or experience anything concerning, please report it:

999 if there's immediate danger, 101 or online reporting for non-urgent incidents. If it's safe, make a note of times, locations and what you saw. Even if something is mentioned on social media, it still needs to be reported to the police so it's officially logged. If the issue involves Parish Council property, we'd also appreciate you letting the Parish Office know.

Thank you to everyone who helps keep an eye out for Burwell — it really does help.

Staying in Touch - For news, bookings, meeting information and contact details, please visit:

www.burwellparishcouncil.gov.uk

Your Parish Council is here to work on behalf of the village, and we always welcome ideas, feedback and involvement from residents.

ADDENBROOKE'S IS HERE FOR YOU.

Will you be here for Addenbrooke's?

"The wonderful staff at Addenbrooke's continue to give everything and save many lives. They couldn't do it without the help of gifts that people leave in their wills to the hospital."

Jane Olds,
Matron, Adult Critical Care

Leaving a gift in your will is a wonderful way to say thank you and leave a lasting legacy.

Your gift, whatever the size, will help transform care for generations to come.

You too can make Addenbrooke's even better.

Burwell and District Horticultural Society (formerly BAGS), including Junior Section

Forthcoming Events:

Sat 26 September: BBQ at the Allotments

Weds 21 October: Salvias: talk by Mark Mason (7:30, 5 Bells Barn)*

Weds 18 November: Quiz night (7:30, 5 Bells Barn)*

Weds 2 December: Christmas Social (7:30, 5 Bells Barn)

NB * Denotes that these events are free to members, but a charge of £4 will be made to non-members.

For more information/ to join BDHS, please contact: angela.ratcliffe@ntlworld.com

AGM main points:

Finance-wise the organisation has made good progress, enabling annual membership to remain at £15 per family.

The committee have looked into the possibility of applying for charitable status, but the disadvantages (extra admin) outweigh the advantages (ability to apply for larger grants).

The Junior Section continues, with a stable group of children. New members are always welcome.

Breckland Flora talk:

After the AGM in April, Jo Jones delivered a most interesting talk based on her work with Plant Life in Breckland (south Norfolk/ north Suffolk, centred roughly on Thetford). She explained that it has a strange patchwork of chalk and glacial sand deposits, which means that over a small area there are both alkaline and acid soils. This, combined with low rainfall, has resulted in a unique community of plants, many of which are very rare; some are endemic (occur only there). Jo works with a very enthusiastic group of volunteers, to record current locations and numbers of these rare plants, to clarify exactly what conditions they need and the best way to conserve them.

Savil Gardens coach trip:

In May, we spent a very enjoyable day at Savil Gardens, located in a corner of Windsor Great Park. Unlike Burwell, the soil there is acidic so there were fine displays of rhododendrons and azaleas plus many mature and unusual trees. The gardens have a mixture of formal and more natural planting, including flower meadows, ponds and water courses, all immaculately maintained.

Annual Burwell Open Gardens:

This was held on Sunday 7th June, and although this is not a BDHS event, it does involve several members. This year there were two new gardens participating, taking the total to eight – something to inspire every Burwell gardener, given the wide diversity of styles and planting. The total money raised on the day was amazing, over £3900. All of this goes to the National Garden Scheme, for distribution amongst a number of nationally recognised charities; last year, the NGS nationally donated £3,875,596, the largest donations going to: Carers Trust, Hospice UK, Macmillan Cancer Support, Marie Curie and Parkinson's UK.

Next year, Burwell Gardens Open Day will be on Sunday 6th June. We would love to add a few more gardens so, if you think yours may be suitable, please contact Richard Dyer at richard@familydyer.com.

Burwell & District Flower Club

Are you interested in learning the art of flower arranging? Burwell and District Flower Club meets monthly, to help you learn how! We host monthly meetings where professional flower arrangers demonstrate how to create beautiful floral bouquets, pedestal arrangements, table displays, floral wreaths and much, much more. Using their skills they will show you how to make lovely flower arrangements. And you get an opportunity to win one too, as all arrangements are raffled off at the end of the evening.

In addition we run regular workshops for members to collaborate and learn new skills making their own arrangements from scratch, so you can learn in a friendly and fun and supportive environment. You will be surprised what beautiful arrangements can be created with just a bit of guidance!

As our club is part of the National Association of Flower Arrangement Societies (NAFAS) you will learn so much at our meetings and make new friends, and you will also get the opportunity to access District and National Flower events, workshops and training. So lots of exciting opportunities are there.

We celebrate 60 years as a flower club in September 2026. We have lots of events planned to celebrate this Milestone birthday. We will be marking the occasion with garden visits, lovely cakes and a special celebration flower demonstration. So please do come along to one of our meetings and see if this could be a creative new hobby for you to take up - refreshments and warm welcome guaranteed.

Cost for visitors £8

All meetings are at held on the second Wednesday of the month at Gardiner Memorial Hall in Burwell start time 7:15 pm

Our autumn programme:

9th September: Elaine Boobier
floral demonstration "Celebrations"

14th October: Debbie Bull
floral workshop "Beach Pumpkin"
***If you wish to attend this event, please contact the club via our facebook page for a list of what to bring along.

11th November: Ann Martin
floral demonstration "Going around in Circles"

9th December: Violet Veikniene
floral demonstration "My Journey"

We hope to see you soon

Alison - Programme Secretary

New food bins, same old heatwave

At the current time of writing the temperature is hovering around 34-35°C, there is a red warning of extreme heat close to our area. Transport services, especially rail, are being affected, schools and offices are closing early, and new record temperatures seem to be broken every day. The hottest day ever recorded in May followed by the hottest day ever recorded in June. It must be very difficult for those working outdoors and inevitably hot temperatures cause sleeping problems.

One thing I have noticed is the number of times the media are comparing this very hot spell with the heatwave conditions of 1976 when extreme temperatures of 32-35°C were recorded for several days running at the end of June into July. I was in my first year of teaching, and my classroom, like many others had large, glass windows fitted down one side. It was sweltering inside but we didn't close early in those days. Some of the girls repeatedly chanted a rain song, supposedly of North American Indian origin that was supposed to bring rain but it didn't work. Reservoirs run dry and hosepipes were banned, land cracked and there was a minister given the unique position of Minister for drought.

But I also remember the day when the hot conditions broke and at lunchtime there was a tremendous downpour that lasted for an hour but instead of staying inside, my form and many others stayed in the playground, splashing and running through the puddles and getting absolutely soaked. They loved it and I still recall that playground scene from fifty years ago, the pupils came in dripping wet, absolute joy on their faces, the hot spell was over. In those days we called it a heatwave and climate change was never mentioned.

Long before records begun extreme weather frequently affected the country. We know from the diaries of Samuel Pepys on more than one occasion the River Thames froze over and frost fairs were held on the frozen ice. He also records on June 7th 1665 'it being the hottest day I ever felt in my life and it is confessed so by all other people the hottest they ever knew in England.' And from May to September in1665 a terrible bubonic plague ravaged London, killing an estimated one hundred thousand people. But in other times when the plague lay dormant, conditions must have been very unpleasant during severe weather spells. It must have been very difficult trying to keep cool in the wooden shacks that formed most of the housing for ordinary Londoners in those days, before the Great Fire of London struck a year later. There were no rubbish collections, so most of the rubbish was thrown in the river or on a pile in the street. I would guess that most of the rubbish would probably be rotting food, encouraging a 'plague of rats' in the streets. Then, of course, sewage was poured or pumped straight into the River Thames, it must have been such a revolting smell for Londoners on a daily basis, as well as the cause of frequent illness and disease. It wasn't until the 19th century that laws was made to clean up the towns, and after the Great fire destroyed many of the wooden houses in 1666, there was an opportunity to build new houses and offices out of stone.

To finish on very positive note, referring once again to the seventies, for my birthday Sue and I spent the day in London watching the fantastic Abba Voyage show, which really is an amazing spectacle, followed by a meal in Chinatown. I had a wonderful day and I love London. But thinking back I certainly would not have liked living there in the time of Samuel Pepys, hundreds of years of filthy conditions and infectious diseases. We have the new food bins system now, still in its infancy but we have to get used to it, including me, but I hope you might reflect on what it used to be like and the poor people who had to live their lives in such poverty and squalor. I must keep telling myself that when I'm putting the bins out on a baking July day or on a cold, miserable night in November.

Kelvin Reynolds

Bottisham and Burwell Photographic Club

Our club ceased meetings on 5th May for our Summer break when members showed and discussed their most successful images entered during the year. Our Autumn term commences on 8th September with a Welcome Evening when Cups & Trophies awarded from last season for the internal Print and Projected Digital images will be presented.

The Summer recess however has so far been busy as we exhibited our members work at the Swaffham Feast which took place at Swaffham Prior Village Hall on Saturday 16th May. Prints and Projected Digital Images were displayed for visitors to view and enjoy during the day.

On the 7th June we attended a Federation Engagement Day at Duxford Air Museum when 16 clubs took part in the EAF Duxford Challenge Competition. During the day members also enjoyed iconic WW2 exhibits and captured wartime re-enactors such as Aircrew, Pilot, Staff Sergeant, Civilians, WRAF, Nurse and Lindy-Hop dancers.

Our Club Outing this year is on the 12th July to Cambridge when members will capture photographs to enter 4 digital images on specific subjects taken on the day for The Metcalfe Trophy on 29th September.

Before the close of meetings on the 14th April members entered the Hanson Trophy PDI Competition judged by Ben Pike from Biggleswade, viewed a Zoom presentation by Viveca Koh on 'Urban Exploration to Fine Art' and on 28th April took part in the Roger Human Print Trophy judged by Paul Radden from Hunstanton.

In our Autumn term we look forward to a Zoom meeting 'Home & Away' by Peter Ormsby from Glasgow on 15th September and on 22nd September our members Debra & Jim Bennett will demonstrate how to master basic Photoshop techniques. We will also enjoy Table Top Photography on 24th November and a 3-way Friendly Cup Print Battle with Melbourn and Ely Photographic Clubs, hosted by ourselves and judged by Jonathan Vaines from Bedford.

Our meetings are held Tuesdays at Swaffham Prior Village Hall, High Street, Swaffham Prior CB25 0LD, from 7.30 pm to 9.30 pm, except the third Tuesday in each month via Zoom conferencing.

Visitors are always welcome to join our weekly meetings and zoom presentations for a small fee of £4.00.

If you are interested in joining this active club, please contact our Secretary, Debra Bennett, for further information and a copy of our 2026-2027 programme. Email: secretary.bandbpc@gmail.com or visit our website www.bottburpc.org where you will find more detailed information and a gallery showing a selection of our members' work

I look forward to meeting you.

Burwell History Society

Burwell history Society meets at the Gardiner Memorial Hall in Burwell High Street, CB25 0HD starting at 7.30pm on the 3rd Wednesday of the month from September to May.

The 2026/27 season resumes on September 16th with a talk of local interest. Kathryn Blackbourn from Oxford Archaeology will be giving a talk entitled 'Defining Late Bronze Age Settlement: a wealth of evidence from Newmarket Road, Burwell'.

Subscriptions are due in September at £15 for the year which includes entry to all nine of our season's talks.

Visitors welcome to individual meetings for £5 at the door.

Watch out for our posters around the village, email Judy Paxton judympaxton@gmail.com or check our website for further details.

It would be great to see you there.

Wicken Coronation Brass Band

The band have had a great start to the year, back in March we held our Band Social, this year we tried a hot supper of fish and chips instead of a cheese and meat Ploughmans. There were a few teething problems but overall, it was very successful and went down well with the hungry attendees, along with the traditional apple pie and cream. Following supper, the Robert Peacock Award for the most improved young player was presented by Beryl Peacock. The winner this year was Emilia Pringle. Congratulations Emilia, you thoroughly deserve it. After the presentation, we played a short concert, which, from the audience reaction, was much enjoyed.

In April we had a concert at Soham Methodist Chapel in Berrycroft, Soham, which was a new venue for us. This gave us the chance to try out our new summer programme, it was very well received and we have already booked to give a Christmas concert in December. Both the Band and audience were really well looked after at the end of the concert, with tea and a proper old fashioned buffet of sandwiches, sausage rolls and cakes. Thank you to the hard-working members of the Methodist Chapel for such a good spread.

After what seemed like months of worrying and putting out feelers to the surrounding area, two cornet players have come along to our Wednesday practice to get the feel of the band (hello to Henry and Emma) and, we hope, join us as regular members. Things have gone well so far, so fingers crossed.

Our practices are generally well attended with almost the whole band there every week, which isn't always easy when family life is so busy. We are proud and grateful for the effort everyone puts in, both in the senior band practice and in teaching the youngsters. Moving the lessons to before senior band practice on Wednesday has been largely successful, and is certainly helping to ease less confident players into performing as part of a larger group.

We are very fortunate in that we have been nearly fully booked for the 2026 summer season and by the time you read this we will have kicked off our engagement list playing at Ely and Sandringham.

The band are very excited to be playing at the Haddenham Steam Rally on Saturday 12th September at 3pm and at the Bedfordshire Steam & Country Fayre, Shuttleworth Park on Sunday 20th September at 1pm. Both of these engagements are a great day out for the family!

Burwell Community Growers

Would you like to learn about growing fruit and veg - in real life rather than on YouTube? Perhaps you want to try your hand at growing fresh organic food to but you're not sure where to start or have no space. Burwell Community Growers could be the answer!

Based at Burwell allotments, we have a sizeable community plot. It consists of no-dig food beds, flower and herb gardens plus two wildlife ponds.

We have a variety of ongoing projects for a wide variety of interests.

- Growing food crops
- Tending gardens
- Maintaining wildlife areas
- Lawn and path maintenance
- Provision of facilities
- Sheds and shelters
- Water capture, storage and distribution

Current activities include:

- Plenty of watering thanks to the dry season
- Taking food home and eating it
- Installation of 8000L water storage
- Completion of a small sunken garden
- Re-roofing one of the structures
- Planning a perimeter deer fence
- Planning a large community polytunnel

If you are allotment-curious, want to have a try at some gardening, are looking for some hobby projects or just want to make some new local contacts and have a bit of outdoor fun, why not get in touch? Simply fill in the questionnaire linked from our home page grow.burwell.co.uk

There are always tasks that need no special skills such as watering and mowing the grass. We encourage and support the development of advanced skills and knowledge - we can all learn better together.

There are just a few of us at the moment and we are quite informal and relaxed. There is no membership fee. We look forward to hearing from you.

Mark Page

Bottisham Adult Learning Association

Coming in September…….. **'The Context of Ukraine'** presented by historian Andrew Bamford This 5week course will explain the contextual background to the conflict raging in Ukraine from the end of the Soviet Union to the present day

Examining the "historical" claims of President Putin on the Ukraine

Whether Russia's actions are one of a re-emerging superpower or the last throes of a despot who has failed to restore Russia's traditional influence in this area.

Starting at 10.30 on Thurs 24th September – 22nd October (inclusive). Held in Bottisham Sports and Social Club in Downing Close CB25 9DD

Starting on Thursday 5th November – Thursday 3rd December (inclusive) a 5week course on Five British Prime Ministers

Any enquiries to Bottishambala@btinternet.com

District Council Report May 2026

Full Council met on 21st May for the Annual Meeting. Cllr Kelli Pettitt was elected as Chair of Council, with Cllr Keith Horgan elected as Vice-Chair.

Cllr Anna Bailey was elected as Leader of the Council, with Cllr Julia Huffer as deputy Leader.

Council debated 3 motions, with motions calling for dualling the A10, and for action to improve access to banking facilities being accepted. A motion regarding access to job interviews for care-experienced and disabled applicants was not accepted.

Chairs, vice-Chairs and membership of Committees were also decided by Council. I have been elected as vice-Chair of the Audit Committee for 2026/27, and also appointed to the Operational Services Committee and appointed as substitute member on the Cambridgeshire and Peterborough Combined Authority Overview and Scrutiny Committee.

I also attended an Audit Committee self-assessment exercise, which will help to inform an Annual Report to Council.

Sudoku

The classic Sudoku game involves a grid of 81 squares. The grid is divided into nine blocks, each containing nine squares. The rules of the game are simple: each of the nine blocks has to contain all the numbers 1-9 within its squares.
Each number can only appear once in a row, column or box.

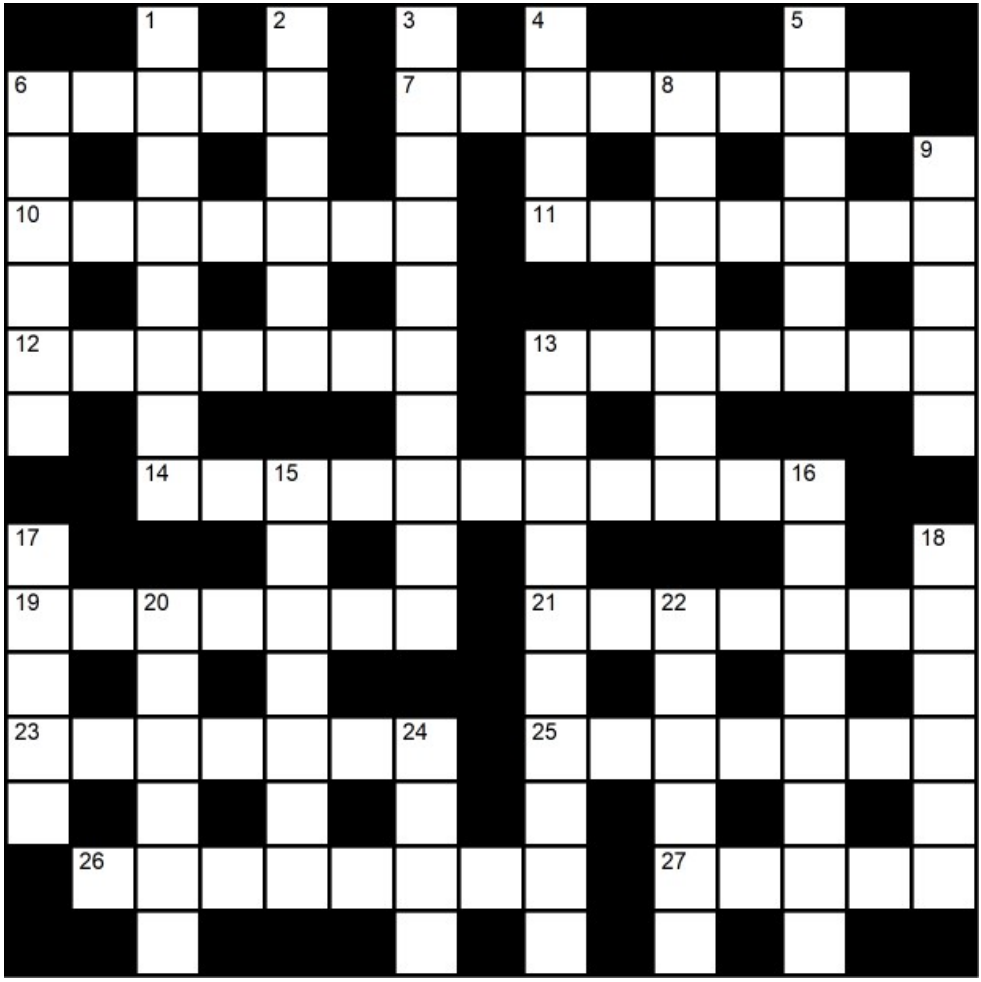

EASY

2		9			3			
	3	5			8	2		
					2			7
3				4				
		7		8				2
			6			1		
5	6						4	
				7				8
9			3	5				

HARD

4				2	8		6	
					4			
2				5				1
	8	5			7		4	
1					6		5	
					1		7	
	7							2
		1	8			9		
					5	7	1	

PRIZE CROSSWORD 102 by V man

Drop your entry into one of the Clunch drop boxes - The Library or Post Office by 1 Sept 2026

17 The final frontier according to Captain James T Kirk (5)

18 Feature seen from a particular angle (6)

20 Think logically about the cause (6)

22 Charges into the room suddenly to prick the balloons (6)

24 Looking over the edge it was a long way down, let's give it a miss (4)

SOLUTION TO CROSSWORD 101

CROSSWORD PRIZE

£15 voucher to spend at local Garden Centres

The winner for Crossword 101 is John Hester - your prize will be posted to you.

Wicken Fen

Summer is here and the fen flowers are in bloom at Wicken. The Summer Nature Trail is open until 30th September and gives views of orchids and other colourful wildflowers. If you want to learn more about the flowers of the fen, we have guided walks on 29th July and 20th August (book via our website).

One Sunday 9th August, between 9.30 and 10.30am, our moth experts will be sharing finds from their overnight session, with a chance to drop by the visitor centre and/or Adventurers' Fen car park to 'meet the moths' (no booking needed).

Boat trips are running most days, depending on weather conditions. Cycle Hire is open from Thursday to Sunday (closed Monday to Wednesday) and every day during the school holidays. For more information, including prices, please visit our website.

For families, we have a brand-new Mega Bugs trail on Sedge Fen throughout school holidays, plus lots of events and workshops, including:

Bug Hunters (23 Jul and 21 Aug) Age: 3+

Pond Dipping (24, 28, 30 Jul; 4, 7, 11, 13, 17, 19, 25, 27 Aug) Age: 5+

Young Ranger Days (31 Jul and 28 Aug) Age: 7-12

Family Printing Workshop (5, 14, 26 Aug) Age: 5+

Head to our website for more information and to book: nationaltrust.org.uk/wicken-fen

National Trust, Mike Selby

Our daily opening hours are:

The Docky Hut Café: 10.00am-5.00pm
Visitor centre and shop: 9.30am-5.00pm
Nature reserve: Dawn - Dusk
